

INW CERTIFIED ARBORISTS

This is a list of tree care professionals who will prune trees on public or private property in the Spokane/ Coeur d'Alene area. They are certified by the International Society of Arboriculture. (ISA). We got this list from the ISA website (<http://www.isa-arbor.com>) in January of 2005. There may be others who have become certified since that time. When hiring a "Certified Arborist," request his or her certificate numbers and expiration date. Please ask when contacting a company for tree work if they have a certified arborist on staff.
