Master Gardeners and WSU Extension staff have designed and published a Garden Journal to aid the home gardener in tracking their progress. Developed to be used for any 2-year period, the journal contains many areas for personal notes, gardening information for each month of the year, recipes using fresh produce from the garden, and some fun gardening craft projects. The Garden Journal can be purchased by visiting the Plant Clinic and Resource Center during the hours listed below, or at the WSU Extension main office (same address), open 8:30 am - 5:00 pm Monday through Friday.

Plant Clinic and Resource Center
222 N. Havana
Spokane, WA 99202
Monday - Thursday 9:00 am - 3:00 pm
Friday 9:00 am - 1:00 pm

or print off the order form found here:

and send, along with your payment by check or money order, to the above address.
